The company

VITAFOAM MAGYARORSZÁG Kft.

7030 Paks, Hrsz.8806/2 (Ipari Park), HUNGARY

is granted authorisation according to Oeko-Tex[®] Standard 100 to use the
Oeko-Tex[®] mark, based on our test report 2/41-2016

Tested for harmful substances
according to Oeko-Tex[®] Standard 100

25.3.0122

INNOVATEX

for the following articles:

Polyurethane polyether foam (including types treated with flame-retardant product accepted by OEKO-TEX[®]), white or coloured, in grades standard (VH, WH, NF), viscoelastic (VA, WA), high resilience (HR) and combustion modified high resilience (CH) up to the thickness of 20 cm.

The results of the inspection made according to Oeko-Tex[®] Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex[®] mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.08.2017

Budapest, 22.08.2016
